EzCast Pro Features

Split Screen

Split Screen allows you to separate the screen to up to 4 parts and allow for 4 participants to present simultaneously.

For mobile devices or tablets

The Split Screen feature is located in the Host menu. Press the host menu button  on the top left corner of the app to access it.

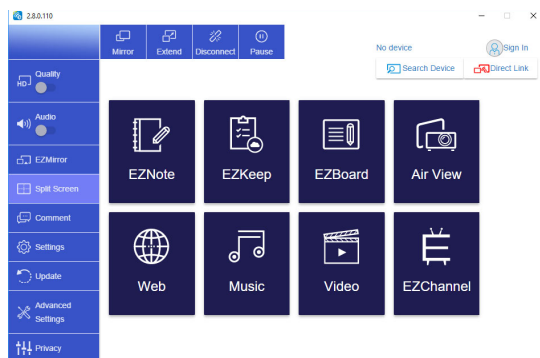

- 1) Press 'Split Screen' in the host menu
- 2) Press on one of the options - split the screen in 2 or 4 screens

For laptops and PCs

The Split Screen feature is located on the left side menu of the EzCast Pro app. Please, ensure you are connected to a SCRIPTCAST device prior to using this feature.

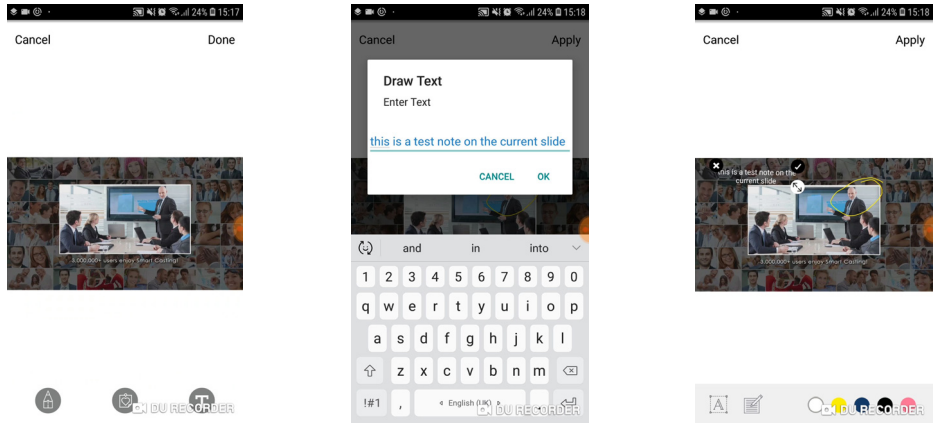

- 1) Press the 'Split Screen' option
- 2) Choose to split the screen in 2 or 4 screens

EzNote

This feature allows you to take notes on top of the current slide and save locally to your device or send to your EzKeep account

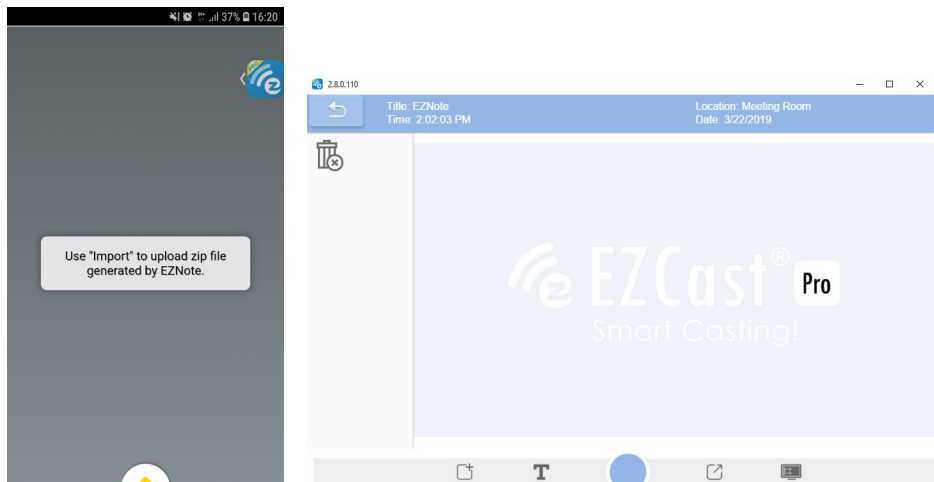

- 1) Open EzNote and press the editing icon on the bottom left corner to start adding notes to the current slide
- 2) Press 'Apply' on the top right corner to apply the changes and press 'Done' to save the image

EzKeep

You can use EZKeep to store all your saved meeting notes on the cloud, to be shared across all your work devices

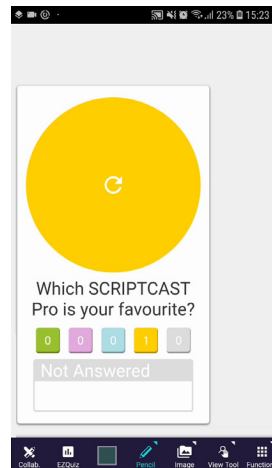

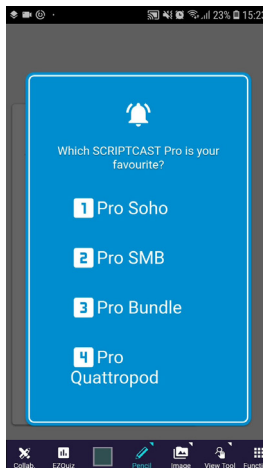

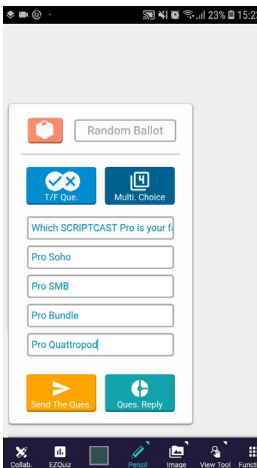

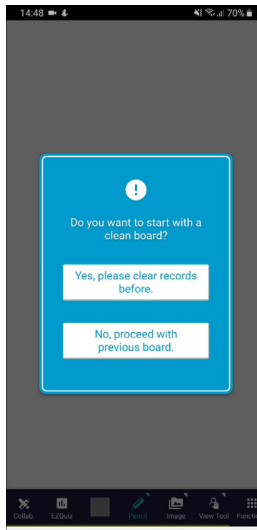

You need to be a registered user of EzCast to use this feature. Press the EzKeep option and login to your EzCast account or sign up with new account. To import notes from EzNote, press the arrow on the bottom of the screen and select 'Import'

EzBoard

This feature offers the host to use a white board where the presenter can draw and take notes on the big screen.

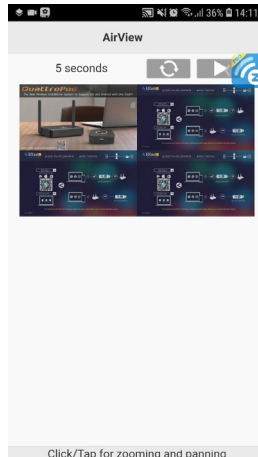

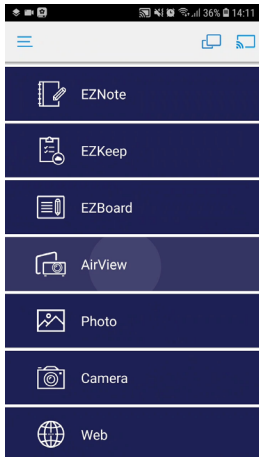

- 1) Open EzBoard and start drawing your notes on the white board.
- 2) You can change brush type, colour, stickers, import an image and type text on the board.
- 3) You can also set up & send a live quiz to all delegates connected to the same SCRIPTCAST device
- 4) Press 'Apply' on the top right corner to apply the changes and press 'Done' to save the image

AirView

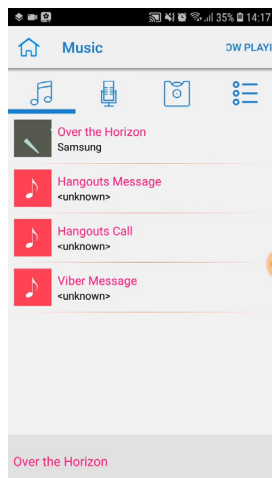

This feature allows for the delegates to see the main screen on their own devices. The AirView refreshes every 5 seconds.

- 1) Press the AirView option
- 2) Press the arrow button to start the live view, that will make the screen refresh every 5 seconds

Music

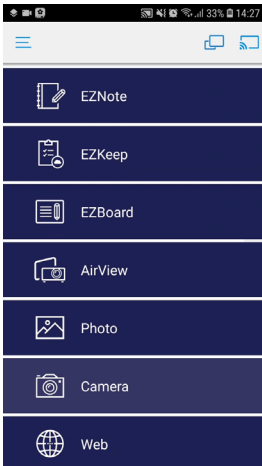

This feature allows delegates to play music saved on their connected devices. Press the 'Music' option and choose the track you want to play from your device's storage

Camera

This feature allows the host to use their camera to show live feed on the main screen

- 1) Press the 'Camera' option
- 2) Whatever is shown on your camera will appear on the main screen

Web Browser

The EzCast Pro app offers its own, built-in web browser that delegates can use to access web pages on the main screen

- 1) Press the 'Web Browser' option
- 2) Type the website you wish to access in the browser tab and press enter to search

Photo

This feature allows delegates to share photos from their devices on the main screen

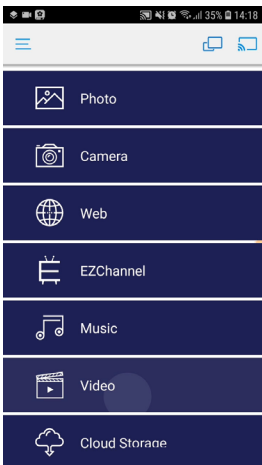

- 1) Press the 'Photo' option
- 2) Choose the image you wish to show from your device's storage

Video

This feature allows you to screen mirror any video, saved on your local connected devices, on the main screen.

- 1) Press the 'Video' option
- 2) Choose your video from your device's storage and it will start playing on the main screen

Cloud Storage

With Cloud Storage you can access images & videos from your Dropbox or Google Drive

- 1) Press the 'Cloud Storage' option
- 2) Log into your Dropbox or Google Drive and select the file you wish to share

EzChannel

EzChannel allows the presenter to watch YouTube & Facebook videos or live TV Channels & other apps on the main screen. EzChannel comes with YouTube, Facebook, Vimeo, Twitch and other streaming apps or allows you to choose live TV, Radio, and pre-downloaded films that can all be shared on the main screen.

- 1) Press the 'EzChannel' option
- 2) Choose the app/channel you wish to watch and press play. Please, note that some apps may require login/authentication
