

## SCRIPTCAST Pro Soho Dongle I

The ScriptCast Pro Soho device is perfect for small and home offices. This highly portable, versatile device can be used on different TV and projector screens.

The Soho device supports all EZCast major features but also comes with brand new innovations such as Host Control, Preferred Device, Split Screen, and AirView.

Simply plug the dongle into your TV, connect to the Wi-Fi SSID, swipe up/down and start Airplay/Screen Mirroring. Or download the EzCast Pro App to connect with your laptop/PC and start presenting!

- ✓ Screen mirror wirelessly using any Apple device without an app
- ✓ Screen mirror from Laptops, PCs and Android devices with the EzCast Pro App
- ✓ Powered by the highly popular EZ Cast Pro software
- ✓ Updated regularly with the latest OTA updates
