SCRIPT**CAST** Pro Soho Dongle II

✔ Screen mirror wirelessly using any Apple or Android device without an app

✔ Screen mirror from Laptops and PCs with the EzCast Pro App

✔ Brand new hardware design for improved performance

✔ 4K support for enhanced media streaming experience

✔ Powered by the highly popular EZ Cast Pro software

✔ Updated regularly with the latest OTA updates

Our SCRIPTCAST Pro Soho II is an upgrade of the existing Pro Soho Dongle with new hardware and software support. The new 802.11ac 5G 2T2R Wi-Fi transceiver creates faster and more stable Wi-Fi performance.

The Pro Soho Dongle II offers more seamless connection, new interface and allows for Apple & Android devices to mirror without the need of the EzCast Pro App.

Simply plug the dongle into your TV , connect to the Wi-Fi SSID, swipe up/down and start Airplay/Screen Mirroring. Or download the EzCast Pro App to connect with your laptop/PC and start presenting!

Share Apple & Android devices without an app using SRIPTCAST Pro Soho II...

1 **Plug in your Soho Dongle II**
Plug in your Pro Soho Dongle II to your TV/ Projector with HDMI

2 **Connect your device**
Connect your device to the Wi-Fi SSID & Password shown on the screen

3 **Download the App**
Download the EzCast Pro App to your device and connect to the Pro Dongle to start presenting!

SCRIPTCAST Pro Enterprise

Our SCRIPTCAST Enterprise is an advanced wireless display solution, supporting 10M/100M Ethernet and the latest 802.11n+802.11ac dual Wi-Fi network protocols.

The SCRIPTCAST Enterprise Box is specially designed for large meeting rooms and conference rooms, with more powerful Wi-Fi connection, Ethernet port and all EzCast Pro conference features.

Simply connect your Enterprise box and connect to the SCRIPTCAST Wi-Fi SSID. Then, download the EzCast Pro App on your device, connect to the Enterprise box and start presenting!

✓ Screen mirror wirelessly using any laptop/PC or mobile devices

✓ Equipped with more powerful Dual Wi-Fi – 2.4GHz and 5GHz

✓ Offering separate HDMI and VGA output connectors for dual display

✓ Ideal for large meeting rooms and groups of over 10 attendees

✓ Powered by the highly popular EZ Cast Pro software

✓ The Enterprise Box is also updated regularly with the latest OTA updates
